Dear Mr Gough,

Thank you for forwarding me a copy of your letter addressed to the Minister for Environment and Climate Change, The Hon Verity Firth MP in relation to coal seam methane exploration in the Wollombi Valley.

I read your letter with interest and appreciate being kept informed of the environment issues that are of concern to WAGE. I would be grateful to receive a copy of the response you receive from Minister Firth on this issue.

If I can be of any assistance to you, then please do not hesitate to contact my office on (02) 4861 3623.

Yours sincerely
